STATEMENT OF FACTS

5. On or about October 8, 2014, VPOR issued a \$115,500.00 8% Convertible Redeemable Promissory Note to LG ("Note 1") with a maturity date of October 8, 2015 ("Maturity Date"). A true and correct copy of the Note is attached hereto as **Exhibit A**.

6. On or about May 11, 2015, VPOR issued a \$35,000.00 8% Convertible Redeemable Promissory Note to LG ("Note 2") with a maturity date of May 11, 2016. A true and correct copy of the Note is attached hereto as **Exhibit B**.

7. The substance of each Note is largely the same. Each Note has a designated maturity date, regular interest rate, default interest rate, conversion right and conversion reserve. Accordingly, Note 1 and Note 2 may be collectively referred to as the "Notes."

8. Each Note states that VPOR promises to pay to the order of LG the principal amount outstanding of each Note, as well 8% interest thereupon, on the respective maturity date. (Ex. A, p. 1; Ex. B, p. 1)

9. Further, the Notes provide that “[u]pon an Event of Default, interest shall accrue at a default interest rate of 24% per annum or, if such rate is usurious or not permitted by current law, then at the highest rate of interest permitted by law.” (Ex. A, p. 5; Ex. B, p. 5)

10. Each Note also states that, “[i]f one or more of the following Events of Default shall occur...[t]hen, or at any time thereafter, unless cured within 5 days...the Holder may consider this Note immediately due and payable, without presentment, demand, protest or (further) notice of any kind.” (Ex. A, p. 4; Ex. B, p. 4)

11. In addition to LG’s return on investment vis-à-vis each Note’s interest rates, Section 4(a) of each Note provided LG with the right to convert all or part of the outstanding and unpaid principal into shares of VPOR common stock (the “Common Stock”). (Ex. A, p. 2; Ex. B, p. 2)

12. LG opted to take advantage of its right to convert by converting a portion of the principal balance and interest of Note 1 on the dates and in the amounts set forth in the table below:

CONVERSION DATE	PRINCIPAL CONVERTED	INTEREST CONVERTED	CONVERSION AMOUNT (PRINCIPAL + INTEREST)
APRIL 21, 2015	\$8,000.00	\$331.40	\$8,331.40
MAY 4, 2015	\$17,500.00	\$774.79	\$18,274.79

A true and correct copy of the April 21, 2015 Notice of Conversion is attached hereto as **Exhibit C**. A true and correct copy of the May 4, 2015 Notice of Conversion is attached hereto as **Exhibit D**.

13. After the conversions outlined above were duly made and honored, the remaining principal balance on Note 1 is \$90,000.00.

14. No further conversions were executed under Note 1, and no conversions were executed under Note 2.

15. Shortly after honoring the conversion, on May 21, 2015, the Company became delinquent in its filings with the Securities and Exchange Commission despite an obligation to remain "current" pursuant to each Note. This delinquency caused the Event of Default contemplated by Section 8(m) of each Note.

16. Due to the above-mentioned delinquency and resulting Event of Default, both Notes became immediately due and payable on May 21, 2015. Interest accrued on each Note from that date and continues to accrue daily.

17. Each Note provides that "[n]either this Note nor any term hereof may be amended, waived, discharged or terminated other than by a written instrument signed by the Company and the Holder." (Ex. A, p. 6; Ex. B, p. 6).

18. Additionally, the Notes state that "[n]o provision of this Note shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, and interest on, this Note at the time, place, and rate, and in the form, herein prescribed." (Ex. A, p. 3; Ex. B, p. 3).

19. As of the date of filing, the Notes possess a total value of \$165,367.68, consisting of \$129,515.07 in principal and accrued interest at the date of default and

\$35,852.61 in default interest accrued thereupon. This amount continues to increase daily at the default interest rate. See the chart below for calculations.

20. In addition to the principal and interest, the Notes provide that “[i]f the Holder shall commence an action or proceeding to enforce any provisions of this Note, including, without limitation, engaging an attorney, then if the Holder prevails in such action, the Holder shall be reimbursed by the Company for its attorneys’ fees and other costs and expenses incurred in the investigation, preparation and prosecution of such action or proceeding.” (Ex. A, p. 5; Ex. B, p. 5).

21. On or about April 6, 2016, LG, through counsel, sent VPOR a letter notifying LG of its defaults and requesting that VPOR immediately remit payment to LG. A true and correct copy of the April 6 Letter is attached hereto as **Exhibit E**.

22. VPOR has patently failed to make any payments due and owing under the Notes.

34. In accordance with the terms of the Notes, VPOR agreed to pay all costs and expenses, including reasonable attorneys' fees and expenses, incurred by LG in collecting any amount under the Note.

35. Therefore, LG is entitled to an award against VPOR for costs and expenses incurred in the prosecution of this lawsuit, including reasonable legal fees.
